AGILITY CLASS DESCRIPTIONS

Standard Classes

These classes are open to all dogs, 18 months of age or older, as described within the current AAC rules.

Special Classes

These classes are open to all dogs but are intended for dogs that are of a size or stature that limits their jumping ability. A dog may no longer compete in Regular classes after being entered at an official trial in any Special class except that they may move to Veterans.

Veterans Classes

These classes are for dogs seven years of age or older that are currently competing in any Standard Agility Class and for dogs five years of age or older who have competed in the Specials Agility Class for a minimum of one calendar year.

Junior Handlers

Dogs at Large is pleased to offer junior handlers classes. The AAC has expanded the Junior Handlers program to allow juniors to run in and earn qualifying scores in all classes, including games. Juniors will have veteran times and may run at a height lower than that at which the dog normally competes, and can accumulate their qualifying scores with different dogs.

Senior Handlers and Disabled Handlers:

Senior handlers (65 years and older) and handlers with disability may request a modified course time & a modified points requirement. Proof of age or disability is not required, but handler must indicate on the entry form if entering this category to receive the modified times/ reduced points. Dog will enter in their current competition jump height and category as the modified time & reduced point requirements are a concession for the handler, not the dog.

Starters Standard Class

The Starters Class is for dogs not having earned the Agility Dog of Canada (ADC) title. Dogs completing three (3) clear rounds of Starters Standard, as defined by the AAC Rules and Regulations, shall be awarded the ADC title.

Starters Games Classes

The Starters Games Classes are for dogs that have not completed two clear rounds in that particular game scored by two different judges.

Advanced Games Classes

The Advanced Games Classes are for dogs that have not completed three clear rounds in that particular game scored by two different judges.

Steeplechase

The Steeplechase class is **open to all dogs** eligible to compete in AAC events at any level and demonstrates the dog's ability to run and jump at speeds while maintaining control on the A-frame and weave poles.

Challenge

This class is only **open to dogs competing in Masters Standard** class and tests both handling skills and speed.

FOOD SERVICES

There will be a fabulous concession on site. Quality hot and cold food, beverages and snacks will be available.

COVID Restrictions

Dogs at Large will be following all current AHS COVID restrictions that are in place at the time of the trial as well as any restrictions that are required by the facility.

ACCOMMODATION

There are lots of hotel choices in and around Edmonton. Please visit www.petscanstay.com.

VOLUNTEER APPRECIATION

We appreciate our volunteers!! Every competitor is asked to sign up for at least three jobs per day. There will be volunteer sheets where you can sign up for your preferred jobs. As a thank-you, we will be drawing for free DAL runs throughout the weekend.

RIBBONS & PRIZES

Ribbons are available for 1st, 2nd, 3rd and 4th place and qualifying ribbons in each height category. We also offer title rosettes for ADC, AADC, and MADC titles and very special rosettes for ATChC, Bronze, Silver, Gold and Lifetime Achievement Awards. If you "Q", you can select a prize from the Q-bin too!
